CONTRAST INSTRUCTIONS FOR CT ABDOMEN AND/OR PELVIS:

Shake before drinking. Please finish the entire contents of bottles.

1. Drink the first bottle of barium prior to going to bed the night before the exam.
2. Drink the second bottle 2 hours before your exam is scheduled.
3. Do not eat solid foods after drinking the 2nd bottle of barium.
4. Drink plenty of water prior to and up until appointment time.

You may receive an injection of contrast during the examination. If you have had a prior adverse reaction to x-ray contrast material, please advise us and your physician. Premedication may be indicated.

If you have any questions, please call the site where your appointment is scheduled.
Thank you for having your exam at Radiology Ltd.
