screenings
for **life.com**

 Radiology Ltd. and you.

The physicians of Radiology Ltd. believe in **personalized** and **comprehensive** service for all patients and are pleased to announce a **customized** approach to breast screening.

Radiology Ltd.'s Personalized Breast Screening Service Includes:

- * Patient Education Specialists to help answer your questions
- * Personal and Family History
- * Breast Density Assessment
- * Includes annual screening mammography with or without one of the following imaging techniques:

- * Conventional full field digital mammography with Computer Aided Detection (CAD)
- * Breast Tomosynthesis (3D mammography)
- * Bilateral Breast Ultrasound
- * Magnetic Resonance Imaging (MRI) of the Breasts

Radiology Ltd. now offers 3D Mammography

For more information on breast screening, call our Patient Education Specialist at (520) 901-6668.

WE TAKE CARE OF THOSE CLOSEST TO YOU.
