

#RADCOMMUNITY

newsletter

vol. 1

RadCommunity was created to give Radiology Ltd. employees a way to express their love and support for their community. This volunteer group is made up of employees who want to donate their time to causes which benefit our community and to help those who need it most. Members reach out in many different ways; from feeding the less fortunate, to helping sort food at the local community food bank, and raising money for many great local causes. If you would like to join this committee or would like to recommend a local non-profit organization, please contact Aimie Beeck at RadCommunity@radltd.com.

Primavera
Handy Dog
- April**
Casa de los Ninos
Habitat for Humanity
Community Food Bank
- May**
Big Brothers Big Sisters
Clothing Drive
Primavera Breakfast
- June**
Community Food Bank

Ben's Bells Mission is to inspire, educate, and motivate people to realize the impact of intentional kindness, and to empower individuals to act according to that awareness, thereby strengthening ourselves, our relationships and our communities.

Early this spring 50 of our Radiology Ltd. employees and their families gathered together to help create the beautiful Ben's Bells ornaments. Our employees painted over 1,000 ceramic ornaments that will become part of a Ben's Bell. Just one ceramic wind chime will involve the work of at least 10 loving people before it is complete. These ornaments are then hung throughout the community as the symbol of the power kindness.

The Community Food Bank of Southern Arizona provides food and food-related services throughout a 23,000 square-mile region of southern Arizona. Through education, advocacy, and the acquisition, storage, and distribution of food, they anticipate and meet the food needs of the hungry in our community.

In 2014 RadCommunity volunteers fell in love volunteering at the Community Food Bank. Since the beginning of 2015 volunteers have packed 16,931 boxes and 205,985 pounds of food. RadCommunity is looking forward to increasing this number throughout 2015. They are honored to be able to assist families in need within our community.

SPONSORSHIPS

February

American Heart Association

March

Alzheimer's Association
American Lung Association

April

American Cancer Society

May

Tucson Nurses Foundation

Radiology Ltd. believes in giving back to our local community. Collectively, contributions in 2015 from the company totaled more than \$26 thousand.

RadCommunity Volunteer Hours

Since the beginning of 2015, RadCommunity has collectively completed 466 volunteer hours!

To find out how you can contribute, contact RadCommunity@radltd.com

Big Brothers Big Sisters
of Tucson

The vision of Big Brothers and Big Sisters is that all children achieve success in life. To that end, their mission is to provide children facing adversity with strong and enduring, professionally supported, one-to-one relationships that change their lives for the better, forever.

RadCommunity invited staff and the public to clean out their closet of old unwanted clothing and linens. On Saturday, May 16, 2015 a grand total of 730 pounds of clothing was dropped off at our Camp Lowell location, raising \$250 for the Big Brothers Big Sisters of Tucson. We are looking forward to raising even more at our next event in the spring of 2016.

The Primavera Foundation provides pathways out of poverty through safe, affordable housing, workforce development and neighborhood revitalization.

PRIMAVERA RadCommunity has been volunteering with the Primavera Men's Shelter since 2010. Every other month, volunteers prepare and serve a wonderful homemade lunch. However, once every year, our dedicated team will set their alarm clocks for way-too-early-in-the-morning and arrive at the shelter by 4:30 a.m. to prepare and serve a hot breakfast for 80-100 men. These meals help Primavera lend a helping hand to those who need it most.

Habitat
for Humanity

Habitat for Humanity Tucson brings people together to build homes, communities, and hope. They offer an innovative solution to the crisis of poverty housing by building homes in partnership with the community and with low-income families.

Radiology Ltd. donated \$2,500 to this great cause. On April 11, 2015 Employees and Physicians gathered at 6am to participate in hanging dry wall, painting and many other activities to help complete a home for a very special family. On May 9, 2015 Candi and Vanessa moved into their lovely new home!

casa de los niños

Casa de los Niños promotes child well-being and family stability in our community. The effects of child abuse and neglect last a lifetime and are often passed along to the next generation. Through parent education and support for families, Casa de los Niños is working to break the generation-to-generation cycle of abuse.

Casa de los Niños holds a special place in the hearts of our RadCommunity volunteers. Many employees have strong connections with Casa; utilizing their services to adopt children, become foster parents and/or volunteering at the shelter. To help brighten the children's spirits who were in the shelter this past April, Operation Bunny was placed into action. With the \$250 donated by Radiology Ltd. the RadCommunity volunteers created baskets full of toys, books, and of course a little candy for each child at the shelter. The smile on each child's face upon delivery of the baskets will forever touch our hearts. We look forward to returning this December for our 2nd annual holiday party bringing stockings full of love for each child.
